LETTER FROM CMCS ADMIN:

Hey Calvary families! We miss seeing your faces every day, but we hope that you are enjoying summer with your family. God has BIG plans for us this year. We are currently praying over our year, choosing our theme, and setting goals for our students and staff. We also have exciting renovations going on here on campus. We are thrilled to be getting NEW RESTROOMS for our staff and students! Our enrollment is growing with each week that goes by which means we get to welcome many new families to CMCS this year. Please be on the lookout for more summer letters and feel free to call the office with any questions you have.

God bless, The CMCS Admin Team
