4th-6th Grade Music Performance – Congratulations to the 4th-6th grade and junior high students who performed on Monday afternoon. Your performance was exceptional, and we are so proud of all that you have accomplished!
 WAY TO GO WARRIORS

Graduation Success! - It's official! Kindergartners are now big first graders, 6th graders are junior highers, and our amazing 8th graders are moving on to high school. The CMCS graduations were a great success, and we are thankful for the opportunity to celebrate our amazing students *in person*.

A Note to the class of 2025 – What a privilege and honor it has been to have each of you here at CMCS. Just know, the Lord put you here on this campus for a purpose. Each friend, teacher, staff member and experience you had, all worked together for good. Through it all, you have grown and been stretched in many areas, as the Lord is molding you into the person that He wants you to be. And now, as you journey forward away from this place, remember one thing, Jesus loves you. Not only is He crazy about you, but He has a perfect plan for your life. Keep your eyes on Him! *“For I know the plans I have for you,” declares the Lord, “plans to prosper you and not harm you, plans to give you hope and a future. Jeremiah 29:11*
