## **Hold Harmless Agreement**

I voluntarily agree to meet with a Freedom Ministries facilitator. I will not hold Freedom Ministries, its facilitators, City Church, its leadership, or any facility where we meet responsible for what happens therein. I acknowledge Freedom Ministries has the right to discontinue ministry to me at any time.

I understand Freedom Ministries' prayer ministers are trained in Freedom prayer ministry principles but are not board-certified counselors. Freedom Ministries is not a counseling ministry. I acknowledge some or all the processes used to provide spiritual and emotional help may or may not be clinically demonstrated to guarantee short- or long-term results.

I know that I am free to discontinue my participation at any time, for any reason. I accept full responsibility for all my choices as made by me now and in the future, including but not limited to aftercare and follow-up. I am fully responsible for any and all consequences related to prematurely terminating any intervention that was pursued on my behalf.

I agree to have a ministry "observer" present during a session and understand that he/she may be in training and is bound by the same confidentiality agreement all our facilitators are under.

I am responsible for keeping confidential any personal information that may be shared with me during the time I am in session. I give my permission to be *anonymously* referenced for testimonial purposes.

### **Cancellation/Missed Appointment Policy**

If you need to cancel, please notify us **2 full days** prior to your appointment. We are flexible and understand life happens, but would ask that you honor everyone's time by giving ample notice of cancellation.

If you are late for an appointment, we can't guarantee that you will receive the full 60 minutes that we set aside. For example, if you're 15 minutes late, we would only have 45 minutes remaining for you.

### **Follow-Up**

This is a good but difficult journey. We have all walked through and experienced freedom in different areas of our lives. We may make an effort to follow up with you through a phone call or email, but you are always welcome to reach out to us. Please feel confident that we highly value the trust you've placed in us and will not violate it by sharing your information with others.
