

- Pick a consistent service time to help your kids build a relationship with their teachers and other kids their age.
- Practice the current scripture memorization with your kids.
- Stay connected by following us on Facebook at University Heights Preschool Ministry.
- Visit our online page each week for the current Bible story and related activities for home discipleship.
- Build relationships with other parents by joining a Community Group.
- Pray for your children each week as they come to church and pray for our teams as they serve and care for your kids.
