

PARENT'S NIGHT OUT POLICIES

Revised 3/2017

The Preschool Ministry of our church seeks to reach preschoolers and their families by providing a Christ-centered environment that is friendly to the child and family. PNO is provided at our church so parents can spend time together or with other adults. Our teachers plan Bible stories, art and craft activities, games, refreshments, and special activities designed to complement the theme. The children are grouped into classes according to their age and interest. Thank you for the privilege of caring for your children. Enjoy your Parent's Night Out!

1. PNO will normally be scheduled for the **first Friday night** of odd months, unless there is a conflict with the church calendar.
2. Reminder notices will be posted in the preschool area and will be shared in the worship slides. Register by visiting uhbc.net/events. The deadline for reservations is the Wednesday before PNO.

If you make a reservation and find it necessary to cancel, please do so by the Wednesday before PNO. **There will be no refunds after Wednesday.**

3. Cost per family: **\$8 per child**, pre-paid with reservation.
4. PNO is available for preschool and grade-school children (babies through 6th grade) who are actively involved in some aspect of University Heights Baptist Church ministries.
5. TIME: 6:00-10:00pm
Please synchronize your watch with the clock in the preschool office.
You must pick up your child/children **promptly** at 10:00pm. Parents who are more than 5 minutes late will be charged \$5. Children will be taken to the office and placed in the care of the PNO supervisor. This allows the teacher to begin cleaning the classroom. After 5 minutes a \$1/minute fee will be assessed. If you are late, please have your money ready as late fees are due upon arrival.
6. Security: The adult picking up a child **must** present the security card registered with the child. Children will not be released without the card. In the event of lost/misplaced card, the PNO Supervisor will need to approve the release of the child. In the event an adult arrives to pick up a child who presents a risk to the child, (example: while under the influence of alcohol or drugs) an alternate authorized person will be contacted to pick up the child instead.

PARENT'S NIGHT OUT

University Heights Baptist Church

I have read the policies for Parent's Night Out at University Heights Baptist Church and agree to abide by them.
