

Avalon Kids Reopening Policies and Procedures

Service Time:

- Avalon Kids ministry will occur during Avalon's 10:30am service only at this time.

Check-In:

- Enter through Door 1 and the ushers will direct you to the Avalon Kids check-in station. Please wear a mask when entering the check-in area.
- Upon check-in, parents will receive a Guardian Label Receipt which includes a security code that matches the code on their children's name tags.
- Assistant teachers will be present at check-in to walk children to their classroom to limit the traffic in the Avalon Kids wing. However, we understand there are cases where you might need to walk your child to their classroom (especially for younger children).
- If your child is having cold symptoms, such as cough/sneezing/fever, or feels poorly, we ask that you not check them into Avalon Kids. If a child begins to show these symptoms during service, an Avalon Kids team member will contact you.

Pick-Up:

- Parents can enter the Avalon Kids wing for pick-up. Please wear a mask when entering the Avalon Kids wing.
- Enter through the door on the left side of the stage (near the large cross on the wall). You will need your Guardian Label Receipt to enter the Avalon Kids wing.
- Volunteers will direct you to the correct classroom.

Classroom Protocol:

- Classroom sizes will be limited based on the number of volunteers serving and the amount of space available inside each classroom. Classrooms will close when the full capacity number has been reached.
- Classrooms will be broken down into the following age groups:
 - Nursery (0-1 years old)
 - 2-3 years old
 - 4-5 years old
 - K-2nd grade
 - 3rd-5th grade
- Mask Policy:
 - Masks are required for all Avalon Kids volunteers and children ages 4 through 5th grade. Masks are optional for children ages 2 and 3.
- No snacks will be given during Sunday morning classes.
- Toys will be limited in the classroom. Teachers will do their best to monitor the use of toys in order to limit sharing.
- Classrooms will be set up to maintain appropriate space between children.
- Teachers and students will sanitize hands before entering classrooms. A water and soap sanitization option will be available for those who cannot use sanitizer.
