The Gunn family challenged their children at age 15 to read 25 books, and write a one-page report on each book by their 16th birthday. If accomplished, the reward would be a vehicle. They took the challenge! We encourage you to create your own style of a reading challenge. Here is a list of great books for you to encourage your son to read.

"You will be the same person five years from now except for the people you meet and the books you read"
-Charlie Jones
