CHURCH RE-ENTRY GUIDE

EFFECTIVE: NOVEMBER 1, 2020

Overview: This guide outlines our plan to safely begin limited attendance in-person worship services. While maintaining the opportunity to live stream the service via our church app, church website and Facebook Live.

We strongly encourage any member/visitor who are part of any "high risk" category to remain part of our online congregation. In order for us to begin and continue limited in-person worship; everyone must follow our safety guidance and instructions. This guide was created in accordance with guidelines suggested by the CDC (Centers for Disease Control).

Date of Re-entry: Limited in-person services will begin **Sunday, November 1, 2020 at 10:00am.**

Please note we will observe one service time until further notice. Limited in-person service will include worship in our main sanctuary and youth worship services (pre-school to 12th grade). **There will be no childcare provided for infants. Additionally, all auxiliary classes or meetings will remain virtual.**

Re-entry Weekly RSVP: Those wishing to attend limited in-person services will be required to RSVP. This so that we can closely monitor who is in attendance and the number of persons in the building at any time. We have partnered with Eventbrite to create a free and seamless RSVP process for our congregation. The RSVP link is available via our church app and church website. There is a RSVP link on Eventbrite for each Sunday in November 2020; **registration is required for adults only.** A new RSVP is required for each Sunday you plan to attend. The RSVP link will close each Saturday at 6:00pm.

In-Person Instructions

CHURCH RE-ENTRY GUIDE

EFFECTIVE: NOVEMBER 1, 2020

HERE'S WHAT WE'RE DOING TO KEEP YOU SAFE:

- Hand sanitizer stations will be at all entrances/exits of the church building.
- Social distancing will be strongly encouraged; prohibiting congregating and fellowshiping on the church campus.
- The church worship service will be dismissed from back of the sanctuary to the front. This to limit crowding at all entrances/exits.
- Masks **must** be worn by all congregants ages 11 & up. We will provide one for anyone who does not have one.
- Masks and gloves will be worn by all serving leaders and church team members.
- Bathrooms (including common surfaces, handles) will be sanitized every 15-20 minutes.
- The church sanctuary, youth areas, common areas, bathrooms, doors, and door handles will be thoroughly sanitized before and after each worship service.
- Virtual worship will remain part of our worship experience offering. Services will air "live" each Sunday at 10:00am on Facebook Live, the church app and our church website. The service will then rebroadcast on Facebook at 6pm on Sundays. Additionally, the worship service will be available "on-demand" via our church app and church website shortly after the live broadcast has ended.

HERE'S WHAT WE'RE ASKING YOU TO DO TO REMAIN SAFE:

- All members/visitors who fall into any "**high risk**" category (**older adults, people of any age who have serious underlying medical conditions**) as described by the CDC are asked to continue joining us virtually.
- If you feel sick (*headache, chills, fever, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea*) - **please stay home**.
