

COVID-19 RESPONSE

Church Family,

As you know our province has declared a state of emergency regarding COVID-19. There are now stricter limitations on public gatherings that have been implemented to help curb the spread of this virus.

01

Celebration will always respect the government directions. Our responsible action at this time is to postpone all normal programs and services at Celebration for the next 14 days. We will re-evaluate on a daily basis and begin to re-introduce programs when it is responsible to do so.

Many of you have inquired about whether we will be live-streaming our services. Alternatively, we will produce and post videos to our website, APP and FaceBook page of different teachings and communications aimed at keeping you informed, growing you (and your family's) spiritual walk, and empowering you during this time of isolation and uncertainty. These will feature several of our staff and leadership and will be posted consistently. We will provide a weekly schedule once the first videos are ready for distribution. If all goes well (pray for us), we should have our first video up on our website and app this weekend.

We have added a COVID-19 section to our website. If you need prayer, need help, or can offer help to others, please take a moment and connect using the link below. You can also call and/or leave us a voicemail at (306) 789-2727.

From our Home Office to Yours!

Celebration Ministry Team.
