Summer Update 2019

*Isaiah 26:3 "Thou will keep him in perfect peace
whose mind is stayed on thee . ."*

What? You're still here? Yes, originally I was going to return to The Gambia in August. However, I fell face first on a cement floor and now will have to have the meniscus repair. Yes, it is a common knee surgery, and if you haven't had one you know someone who has! Needless to say, I'd appreciate your prayers. I would also like another opportunity to talk to the surgeon (Dr. S) who is LDS. I have peace about the delay but am looking forward to my return soon.

Speaking of appreciation . . . Thank you for your monthly financial support:

Missionary Enrichment was a special time in Baltimore. We were blessed with excellent messages, music, workshops and times of fellowship. I was able to see fellow missionaries that I was in candidate class with 35 years ago! This year marked my 30th year with ABWE since I had a leave of absence for nursing school. After ME conference, I attended a 2 day security training at our headquarters in PA

"I thought a good job, wife, children and things would make me happy." I had been praying for an opportunity to speak to our new neighbors about the Lord. It was one of those times when God answered very quickly and very clearly as the man came over to talk to me and my brother! We have been able to talk to him quite a bit about Jesus. Please pray for wisdom and additional opportunities to be salt and light in the neighborhood.

PRAYER NEEDS:

1. Remaining support for the Reed family.
2. Sarah & Alison as they lead the clinic & Joanne as she leads literacy.
3. Deb Newsome's health & possible trip to The Gambia.
4. Additional missionaries for both rural and urban areas.
5. Ashley and Amanda, my nieces (single mothers) who need victory in their lives.
6. August 14 meniscal surgery.
