

Happy Birthday!

City Vision Church is located in Ulaanbataar, Mongolia, and was planted by Pastor Sheika and Haka Shinetulga one year ago on March 10, 2018.

Happy Birthday City Vision Church! God is doing great things in Ulaanbaatar and across the steppes and mountains of Mongolia can be heard the praise and rejoicing of the people of God! These photos were posted recently on the *Witness Mongolia* Facebook page, and reflect the result of the prayer and support of many churches, including the members of NSBC!

Giving God praise and thanks for His good work

Communion is the same in any language!

From Pastor Sheika:
"Thank God for his great vision to save those lost souls, thank you so much for being part of the church planting ministry in Mongolia and thank you so much for your prayer and financial support. Praise God for those 10 believers who came to this church last year."

Happy FIRST birthday to "CITY VISION" church – Many more to come!
