

FREQUENTLY ASKED QUESTIONS

WHY WE EXIST? MW Students is the Middle School and High School Ministry of Mountain West Church. **We exist to help connect students to the hope and peace found only in Jesus.** In MW Students, we don't care what religion you come from, what you look like, what crowd you hang with, or even how troubled your past is. In fact, all of us here in MW Students have a troubled past of some sort. What gives us hope is the fact that God has changed us. And we want you to experience that change and hope as well. We simply want you to know that MW Students is a place where you can be yourself and who God has called you to be.

VIVE NIGHT – Vive Night takes place the second Wednesday of every month and is our catalyst event to help students experience God in a real way, meet new people who hopefully become friends, and get connected to their next step. Vive Nights are hosted at our Main Campus. Transportation can be made available by letting the team know by 4:00p on Monday evening.

YTH MIDWEEK – Our midweek experience is geared to any and everyone. This will take place on 1st, 3rd and 4th Wednesday. If there is ever a 5th Wednesday it will be a fun night. These gatherings are for all 6th through 12th graders and exist to disciple students through the Word of God and allow them to develop deep friendships with other students. This will consist of worship, a devotional message, and age specific small groups.

SMALL GROUPS – We believe Small Groups provide the kind of life-giving environment where students find freedom and experience meaningful spiritual growth. Student Small Groups outside of Wednesdays start with the next Small Group semester. Check the Small Group Directory.

INTENTIONAL EXPERIENCES – Along with Vive Night and YTH Midweek, we will also be offering local and oversee missions trips, fall and spring retreats, and leadership development through our student leadership internship throughout the year to provide additional environments to help students grow in their walk with God.
