## IMPORTANT NOTES ABOUT THIS YEAR'S CONFERENCE:

- We will NOT be staying overnight at Fellowship Community Church this year. Students will need to be picked up when we get back and then come back in the morning.
- It is recommended that students eat before leaving on Friday (supper) and before leaving on Saturday (breakfast). We won't be providing food at Fellowship Community Church this year.
- Students are encouraged to bring some extra \$ with them if they want to purchase snacks, books, and items at the conference.
- As stated in the schedule, there will be FREE food provided at the conference late on Friday night & lunch on Saturday.
- Masks will be required when riding in provided vehicles to and from Fellowship Community Church.
- Masks are not a requirement at the conference. Each person is responsible for making the decision they are most comfortable with while attending. *Here is Ignites statement regarding Covid:*

*"Ignite Youth Leadership Conference will follow all State directed protocols for COVID-19 at both conference locations; Des Moines, IA. & Oswego, IL. In addition, as a ministry, we understand that we are stepping out "In Faith" even attempting to host the conference in an "In Person" setting and can make no guarantees about the safety of the conference at this point. At both locations, we will be taking precautions regarding cleanliness, sanitizing etc. If the conference gets cancelled at either location, similar to 2020, you will be issued a full refund. Please know that the situation for all of us is fluid, and the goal and intent is to gather "in person" for training, encouragement and mutual edification together with other believers."*
