

FAMILY CONVO CARDS

Exodus 6: 6-8

We are part of a family. God's family. The Father made a covenant with us. He continually pursues us the way a husband pursues his bride. He wants us to be one with Him to know Him intimately, to spend time with Him, desire Him.

We hope that your family explores these topics throughout the week using these cards. The PARENT CARD is included to help guide the discussion.

Y = Questions for Young Kiddos

M = Questions for Mature Kiddos

PARENT CARD

Day 1: Have fun talking about what it means to be part of your family. Have fun making and sharing your portraits or caricatures!

Day 2: Focus on how our families here on earth are supposed to be a reflection of our heavenly families. We are to show grace, mercy, forgiveness and love to those in our families even when they are difficult to love or hurt us.

Day 3: Remind your kiddos (and yourself) that you are continually pursued by the Father. He loves us with a never ending, never stopping, never giving up, always and forever love! We can never be reminded of this Truth enough.
