

SERVE FAIRFIELD

Updated 03.22.20

We are currently partnering with the Fairfield City School District, Dougie & Ray's, and other local churches and individuals to deliver meals (a hot lunch and a breakfast for the next morning) to Fairfield students. In the first week of serving, we went from delivering 200 meals at the beginning to 1200 meals at the end. To make this happen there is a great need for people with the heart and the capacity to serve right now. Below you will find more details about the needs that we have the opportunity to meet.
