

Healing/Deliverance Mission Report for India & Uganda

5-Fold Global/ Online / June 24-26, 2021

*Heal me, O Lord,
- and -*

**I shall be healed;
save me, and
I shall be saved,
*for you are my praise.***

[Jeremiah 17:14]

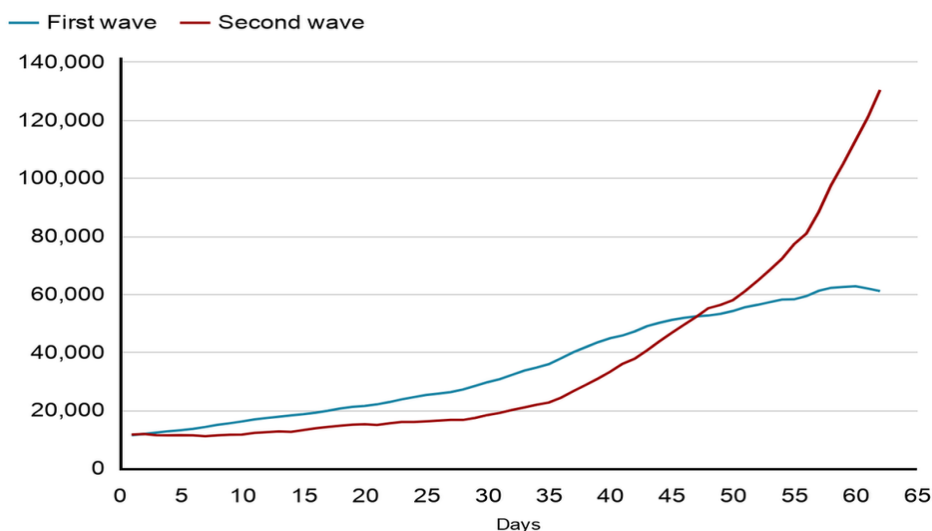

OVERVIEW

This 5-Fold Global strategic online operation was in response to the 2nd wave of the global Covid-19 pandemic that struck India on February 10, 2021. Many 5-Fold Global partners in India reported to us the

Cases have risen faster in the second wave

BBC

seriousness of the situation. In addition, Dr. A. Fathahudeen of Kerala state's Covid taskforce described the 2nd wave as a *tsunami* that India was unprepared to handle. He told BBC news "I said in February that Covid had not gone anywhere, and a tsunami would hit us if urgent actions were not taken. Sadly, a tsunami has indeed hit us now. A false sense of normalcy crept in and everybody, including people and officials, did not take measures to stop the second wave."¹ Of course, the drastic spike in cases was blamed on religious gatherings, reopening

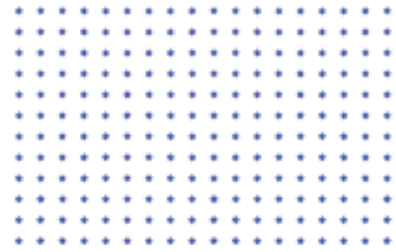

of businesses, and election rallies. However, the Holy Spirit impressed upon our hearts it was time to rise above Covid and proclaim over India the healing ministry of the Lord Jesus Christ. We mobilized the 5-Fold Global International Faculty to begin preparing messages from God's Word on healing with instructions not to just teach but also to minister healing to the people of India. Many on the faculty reported strong opposition from satanic forces during their preparations. The spiritual battle was so intense that we had to delay our online mission launch for 12 days. We had also learned that Uganda was in a 42-day new lock down due to a 2nd wave of Covid. Immediately, the Spirit prompted us to add the people of Uganda to the healing and deliverance mission. This would prove to be very instrumental to the effectiveness of the operation.

**He sent His word and healed them,
And delivered *them* from their destructions.**

Psalm 107:20

HIGHLIGHTS

Thursday, June 24

Equipping and ministry sessions began daily at 4:00 p.m. India Standard Time; 1:30 p.m. in Kenya; and 11:30 a.m. in Nigeria. Session 1: *Releasing Healing* by Dr. Michael Gross USA; Session 2: *A Prophetic Understanding of the Present Situation* by Dr. Evangelist Joram Dol of India; Session 3: *Prayer and Prophecy over India* led by Pastor Shajet Thomas and Minister Tubin Mudang of India. A particularly important highlight of this first day of the mission was the prophecy spoken over India by Pastor Shajet Thomas of Revival Blessing International Ministries (RBIM) from Itanagar, NE India. The prophecy was also translated in Hindi by young minister, Tubin.

"God is visiting, yes God is visiting some of you today. God is visiting some namesake gods and the idols today. Yes, namesake gods, God is visiting today. Yes, God going to visit that kind of spirit. The idols are going to be destroyed because the word of God says those who serve the idols their sorrows will be multiplied. So many people their sorrows are multiplied nowadays. Many people complaining in other nation the prevail of the corona case. No, my brother and sister, God is going to judge not other nation, God is going to judge the idol who is deceiving the people. People are going to understand what they're serving. They cannot serve them. They cannot protect them. There's going to be such God's glory going to be seen in their world especially upon our nation India. Yes, Holy Spirit is telling me right now. A great window of God's visitation, of God's glory is going to begin to come. Yes, it's going to come very soon upon our nation, India. Now I can see in my eyes the wind is going to blow from the North, northern part of India to the southern part. Yes, through this glory many golden idols going to be washed away. Our God not fighting with human hand and weapon. He has a power force of angels, an invisible Spirit realm, going to move upon our nation. Yes, right now I am seeing some other vision about our nation, India. Every part of India the fire is arising, the revival fire. Many anointed people are going to arise. Yes, prayer, many praying people are going to arise. Yes, yes, yes! Yes, yes, yes, yes! This is the time for our nation, India. Those who are waiting on God. Yes, this is your time and hour. God's going to use you! Supernatural power and visitation is going to come on your life. Yes, God's judgment is going to be seated on the middle part of our India. I can see that thing in my eyes, right now. Yes, some area of this India under the judgment, but other part going to rise in the revival. I can see the fire, the flame. Yes. That fire is not a big fire, but small fire. And I can understand in my spirit that is God arising many servants of God, many faithful servants of God in this part of India. Yes, hallelujah. Such anointed people the Lord is going to connect them in the spiritual realm through the prayer and the anointing. It is a great visitation going to come upon our nation, India, especially. Thank you, Lord Jesus. So let us pray in Spirit. I know something happened in our spirit realm. The Lord is imitating our higher level. Thank you, Lord, thank You. This is no time to fear. This is time to behold and stand for Jesus. Lord open our spiritual understanding to listen to Your word. In Jesus name we pray. Amen."

This prophecy over India was worthy of much broader circulation during and following the mission. It kept the mission focus firmly upon what the LORD was speaking and doing.

Friday, June 25

Day 2 of the 5-Fold Global Healing/Deliverance Mission for India and Uganda followed the same schedule. Session 1: *Faith to be Healed* by Rev. Lhing Nei Ting of Myanmar ; Session 2: *Overthrowing Idols and Looking to Jesus* by Minister Progress Isong of Nigeria; Session 3: *God's Covenant of Healing* by Dr. Samuel Isong of Nigeria. It became evident that these messages were connected by the Holy Spirit to the prophecy over India presented on the first day of the operation.

Saturday, June 26

Day 3 of the 5-Fold Global Healing/Deliverance Mission for India and Uganda provided two equipping sessions. Session 1: *Healing in the Blood of Jesus* by Apostolic Leader Alex Niwagaba of Uganda ; Session 2: *They Sought to Touch Him* by Dr. Michael Gross USA. It was necessary for Brother Alex to travel to Kenya to record the message on the blood of Jesus and to quickly return to be with family at the outbreak of the 42-day lockdown imposed by the government of Uganda. Two teaching sessions were added to a full media series of the operation: *Releasing Healing Through Worship* by Psalmist Glory Mafor of Cameroon and *The Power in the Name of Jesus* by Dr. Gerald Ole-Nguayaine of Tanzania. These have been included in the final media series for the mission. (See footnote 3 on page 6).

Palorinya Refugee Settlement, West Nile Region, Uganda

One of the mission objectives was to ignite a healing explosion in India and Uganda. A week after the online sessions we received an unexpected report from 5-Fold Global partner, Pastor Edward Lokose Elisama of South Sudan (pictured left) who is with the tens of thousands who have fled across the border into the Ugandan refugee camps. He now oversees Budri New Nation Church International in the camp.

"Praise God servant of the Most High God. Our God is so good and loves us all. He gave me the opportunity to access the teaching and ministry sessions of 5- Fold Global Ministries especially the part on deliverance and healing on the nations of India and Uganda. After downloading and carefully attending to the sermon, the Holy Spirit instructed me to portray the sermon to the home fellowships using my small screen touch mobile phone and actively translate it in the local languages

of the people within the camp especially in Bari and Arabic languages which are the common. As you know after the presidential decree on the 42 days of total lockdown, the believers had to meet and pray in home fellowships. I happened to organize and conduct a house fellowship in one of church member's home and the neighbors happened to attend. A 35-year-old woman by the name of Peres Juan was one of those who received healing, among others. According to her, she has been suffering from chest and abdominal pains and had been several times to the health facilities but couldn't receive healing. When God released his healing power through you during the sermon, she fell down as the demons left her and she got up totally healed. Hallelujah, praise God! The second one was a young man by the name of Wani. He witnessed saying he was a suspect of the covid-19 virus because any one with high fever and cough becomes a suspect. So, he attended the sermon and when God's power was released, he felt normal and later went for the testing

and was negative. Glory be to God! The Holy Spirit then gave me a revelation in the book of Acts of the Apostles where Apostle Paul's shadow and even handkerchief could heal the sick and cast out demons. Following the direction of the Holy Spirit, I am now using and translating your sermons to all the house fellowships that I conduct as I believe God is using your sermons as a tool for many people to receive deliverance and healing in the Mighty name of our Lord Jesus Christ who is the same yesterday, today and forever! Glory be to God as you continue to organize for more programs that would be worldwide as there are many nations that need that power of deliverance and healing ! Hallelujah and Hallelujah, praise God!"

This was wonderful news. The LORD in His wisdom and design chose to release His healing and delivering power in abundance to the Palorinya Refugee Settlement in Uganda. It is spreading like a fire throughout the camp. Although we believe other regions will begin to experience the release of healing and deliverance, the Holy Spirit showed us the manifestation of His power and glory in this settlement camp and more than this, He placed before us a great harvest of souls. Pastor Lokose provided us an insight into the vastness of this harvest.

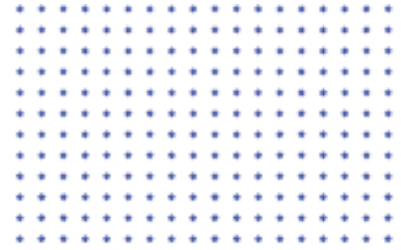

"Now in concern of the refugee settlement in which we settle. It's a very vast settlement with a division of four zones, namely, Basecamp Zone, Belameling Zone 1, Morobi Zone 2, and Waka Zone 3. I am living in Belameling Zone 1 which has a population of around 39,000 people. Zone one is divided into five villages namely: Budri, Pass, Keguru, Belameling, and Odraji. The total population of the whole settlement of Palorinya is roughly 249,000 people. When the war escalated in Kajo Keji, my sister Betty was by then in Juba. Only my family and me were the ones to run for our lives and settled in the camp. By the grace of God, though things are not all that well, God is able to provide us through the UN agencies with a monthly ratio of 8.6 kgs of grain, 3 kgs of beans and 0.5 liter of cooking oil .We praise God for that! I would also want to say thank you as I was able to download the 5- Fold Global Ministries app and was amazed and delighted to find out the church empowerment materials which I could now share with most church leaders to empower our local churches though the challenge is most of the leaders are unable to get access to the app because they are using the small phones that can't contain and download bigger apps. Yeah, as I communicated to you earlier, I am now overseeing a church of around 300-350 people within the settlement here. Jesus is helping me do that as he is the head of the church. Challenges are there as you know the situation of being a refugee, but I have to persevere and believe God is going to intervene and fight this battle as this battle is for Him! Praise God, Hallelujah! Continue to lift and pray for the people as our God continues to fight for us! I must say the harvest is ready and I pray that God may send more laborers to gather! May our Lord and Savior Jesus Christ fight against this pandemic, restore hope and peace to his people, and cleanse our land from the power of the devil. The world and everything in it belong to God! Hallelujah, praise God! Hope to be always in contact as the Holy Spirit leads us!! Amen and Amen!!!"²

Then He said to them, "The harvest truly is great, but the laborers are few; therefore pray the Lord of the harvest to send out laborers into His harvest."

Luke 10:2

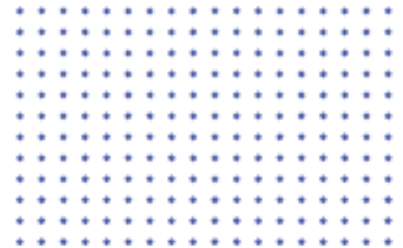

² 5-Fold Global conducted a strategic operation in South Sudan 2012 to establish the Fishers of Men Bible College in Kajo Keji. Pastor Lokose Edward directed the Bible College. Brother Michael stayed with Sister Betty and husband during his stay in Rock City outside of Juba. See full report at <https://storage.snappages.site/WC6555/assets/files/operations-reports-ssudan2012.pdf>.

LESSONS LEARNED

- Servants of the LORD must persevere in using technology to boldly proclaim the word of the LORD to the nations.
- The devil will oppose all pure proclamation of God's word today. He will even taunt and dare us to declare the word of the LORD. (Jeremiah 17:15)
- The prince of the power of the air and the spirit of antichrist are aggressively working in the sons of disobedience, but they are no match for the power in the name of Jesus. (Eph. 2:2; Matt. 16:18-19)
- Maximum participation from intercessors is needed for maximum impact in ministry.
- Spiritual alertness and willingness to bend to the Holy Spirit's supervision and direction are essential to the effectiveness of every mission operation.
- The Lord of the Harvest has His eyes upon strategic locations where He has predetermined to move in power to heal and deliver.
- Online equipping operations have been effective; however, they cannot replace personal interaction with new generation leaders and believers.

CONCLUDING REMARKS

This mission endured heavy attacks by demonic forces, but in the end the Lord and His people prevailed. God opened an effective door of ministry to the Palorinya Refugee Settlement Camp in Uganda to equip leaders and believers to bring in a great harvest in the coming months. We did not know beforehand that such a door would open. In addition, new alliances were formed with key leaders and the 5-Fold Global International Faculty was expanded, particularly with young leaders. The people of India and Africa were not the only ones listening to the messages.³ We received this message on YouTube: *"Watching and listening to you sir here in our country, the Philippines."* There is no better way to conclude this mission report than this message received from Uganda.

"Allow me to sincerely extend my gratitude to the body of the 5-Fold Global Ministry for the three days of Healing/Deliverance Mission for India and Uganda. I closely followed the program on U tube and feel already

³ All messages are available on the media series entitled *Uganda & India Healing/Deliverance Mission* at <https://5foldglobal.net/media/series/w2jrbr5/india-uganda-healing-deliverance-mission> and on the free mobile app.

blessed when the healing was released upon the land of Uganda and India . The different spiritual wounds in the heart have already received healing and I want to give the glory back to God for that. Continue to fight the good fight as the Spirit of God leads you .We are already living in the end times where we need not to be asleep! This is the right time for all of us to put on the whole armor of God so that we can stand strong against the power of the devil. May God give you more insight pertaining to the end time adversaries! Continue to be blessed as you keep me informed of the 5- fold Global Ministry programs as the Holy Spirit leads us!” Pastor Edward Lokose Elisama, Budri New Nation Church International.

For a great and effective door has opened to me, and *there are* many adversaries.

1 Corinthians 16:9
