

# My Daily Influence Worksheet

## IT'S TIME TO NAME THE PEOPLE THAT GOD HAS PLACED AROUND YOU TO SERVE.

Many times we miss the ministry God has for us to do in our daily lives because we are looking at the horizon thinking our calling is "out there somewhere." Meanwhile our calling is "right under our nose" where we live, work and go in our daily lives. Use this worksheet to list WHO you can serve with your gifts today. When you see the names written in front of you, your calling to serve them with your gifts will stand out, and you will begin to notice opportunities all around you every day.

**What are my top gifts? (Go to [victorymj.com](http://victorymj.com) to fill out a short Gifts Test to help determine your top spiritual gifts.)**

**Who is in my sphere of influence? (Write down the names of 1-8 people/question.)**

2. Where I live. (Those in my home and/or extended family or neighborhood): \_\_\_\_\_

**Now go over your lists above and circle the name of one person from each category that you can look for ways to serve today.**

You can transfer the names from the previous page to this one for a visual look at your spheres of influence. This picture is your daily ministry calling.
