VICTORY CHURCH

Did You Know?

It has been 30 weeks since the church originally had to go fully online due to Covid. Can you believe that? We did 15 weeks of fully online services and have now done 15 weeks of hybrid services. It's crazy to believe that it has already been that long, and what a season it has been! We are so thankful for you, our church family, for being willing to trust and follow God, no matter all the changes that have come in this season. And we cannot wait to see what God does in the next 15 weeks!
