WHAT IS THIS ABOUT?

The Last 100/Best 100 Days was thought of to help us finish the last 100 days of the year stronger than we started it. 2021 was a year none of us expected but it's not over yet. By engaging in this journey you're going to see growth!

Let's engage in the Bible, commit to praying more and remember what we are grateful for each day.

Let's gather together at the starting line on September 22 and be ready to see growth through the next 100 days of this year. Let's choose to finish this radically different year than we entered it.
