

## Introduction

Welcome to Fresh Faith! This class is for those who are newer to church or walking with Jesus or those who may have been around church for awhile but could use some help putting the pieces of Christian teaching together. Even if you are not brand new to the Lord, it is best to get a solid start.

Some things in this class will be things that some students have heard before while others will find all of the content to be new. If not all your questions are answered in class, please take advantage of asking any of the leaders afterward. We are here to help you learn and grow!

## Where do I watch?

All videos are available at [calvarymurrieta.com/classes](http://calvarymurrieta.com/classes) or on the "CM Church" app → "Sermons" → "Fresh Faith"

What you will need to do each week:

- 1.) Watch the teaching videos for the week's lesson.
  - 2.) Go through the handbook for that lesson and fill in the areas that correspond to the video.
  - 3.) Write down questions you have – it's expected that you will have questions!
  - 4.) Come to class for review, testimonies, discussion, Q&A, and encouragement. While the main teaching content of the class will come in the videos, it is just as important to be in the group time because following Christ is always done with others. Our class time is where we get to take the teaching to a more personal level.

Consider Fresh Faith a first step, not an only step. This class is meant to introduce you to a lifetime of growing as a follower of Jesus. Next, you will want to learn more about Christian teaching. You will be given resources to learn more, people and ministries to connect with to continue your growth, and further classes to take at the church. The best class for you to take after this is Foundations which will give you a more full understanding of the Bible's teaching.

Considering these things, please read and sign this student commitment. It will be our standard for learning together.

- I agree to participate to the best of my ability.
  - I agree to esteem others before myself. I will not force my viewpoint on others or monopolize discussion time. I will respectfully discuss any disagreement.
  - I agree to go to Scripture as the highest authority.
  - I agree to accept challenges in order to grow.
