

2022 BIBLE READING PLAN

The Bible Reading Plan is a 52-week plan that we are following church-wide. It helps our members stay on the same page and journey through the scriptures together – no matter the age, ministry, etc.

Along with the Bible reading plan, we encourage you all to start a H.E.A.R. Journal. It is a simple way to help you read the Bible with the intention of applying it. By asking the following four questions, you can understand and apply any passage.

HIGHLIGHT

What is a verse(s) that stood out to you in your reading?

EXPLAIN

What is the author's intended meaning in the context of the passage?

APPLY

How does this verse apply to me and my life today?

How can this help me?

What does this mean today?

What would the application of this verse look like in my life?

What does this mean to me?

What is God saying to me?

RESPOND

How will I respond to the application in my relationships and/or situations this week?

There is not a set amount of journaling that one must do each week, but the goal with this discipline is to improve as time goes on. The hope is that as you get more comfortable with this discipline and experience its benefit, you will want to increase this number throughout the year.
