**TRACKERS (preschool): RED SHIRT**

**SCOUTS (kinder, 1st, 2nd): GREEN SHIRT**

**TRAILBLAZERS (3rd, 4th, 5th): BLUE SHIRT**

## EARNING COINS & TRADING PINS:

**KIDS EARN COINS FOR:** Attendance ~ Birthday ~ Theme Night Participation ~ Game Time Participation & Sportsmanship ~ Quiet Team ~ 2 for every 5th bonus verse. Periodically, a coin is earned for bringing Bible to club & wearing club color. Kids can keep coins or spend them at the Trading Post.

**EARNING TRADING PINS:** One trading PIN is earned for every 5 main memory verses learned. (see calendar) One extra PIN can be earned for quoting all 66 books of the Bible. Another PIN earned if summertime memory verses are completed before the end of August. Children who learn all main & bonus verses thru lesson 25 will earn a trophy.

## DISCIPLINE:

The **5-COUNT-SYSTEM** is used for **LARGE GROUP** times & the activity starts when all are listening. (hopefully by the time we reach #5)

The **3-REMINDERS-SYSTEM** is used for **INDIVIDUAL** children: **#1** Warning **#2** Loss of a privilege **#3** Parent is called & child goes home. At times, a child might not be allowed to come to Adventure Club the following week & can try again the week after. If necessary, a parent/guardian may be asked to attend with their child. Please contact Miss Loy if you have questions or concerns. Please see our *Skyline Policy for Children & Youth Workers* for more details about child discipline & safety.

## VERSE MEMORY & BOOKS:

**VERSES SHOULD BE MEMORIZED IN THE ENGLISH STANDARD VERSION AS USED IN THE ADVENTURE CLUB CURRICULUM**

**TRACKERS (preschool):** This group is currently using the Awana Cubbies curriculum but we will use the Adventure Club (*Skyline version*) reward system. Kids will complete everything required in class but there's more fun stuff to do in the book at home if you'd like to.

**SCOUTS** and **TRAILBLAZERS** will be learning the main verse as a group each week (see calendar). Going over the current week's verse before club is helpful. The children can earn extra awards by learning the other verses but must memorize them at home and be ready to tell a leader during verse time. We do not allow kids to move ahead in their book, but they are allowed to make up previous verses. Kids should learn missed verses at home & contact Miss Loy during the week to make it up or be ready to tell it to their leader during verse time at club. See the calendar to know what lesson we are on each week. Lessons are geared around the main memory verse of the week. It's not a race, it's an **ADVENTURE** and we pray that the verses and meanings will be imprinted on the children's hearts long term. (Deut. 6:6&7) Talk to Loy if you'd like resources to continue discussing the weekly lessons with your kids at home. Completed verses will be stamped or initialed in your child's book by an Adventure Club leader and kept track of by our Adventure Club secretary. Please let us know if there's confusion about what verses your child has completed. **NOTE: The kindergarten group will use the Trackers book and depending on ability level will learn either the full verse or the underlined portion of the verse.**

## DROP OFF & PICK UP

A parent or guardian must walk children in and check their child in EACH WEEK. Please do not arrive before 5:50. Watch for information flyers sent home with your child. Please go to the door where your child is at the end of club and your child will be released to you. Be extra cautious in the parking lot as it's very dark and the traffic is heavy on Wednesday nights.
