

CHARACTER TOWN

CHILDREN'S MINISTRY

Classes

Character Town classes offer opportunities for kids to explore and learn about God, while being cared for by a loving staff who teaches in a safe and secured environment. Our desire is for kids to find a place they can connect, have fun, and belong. We embrace kids needs by helping them to apply God's Word, reinforcing the love of God, building relationships, encouraging them to wonder and ask questions, and communicate to parents ways they can continue and reinforce what their kids are learning in Character Town.

Our goal is to provide a fun and interactive program tailored just for kids, no matter what age or grade they are in. Our focus is to help them know Jesus, and grow spiritually, as they build meaningful relationships with other children and adults!

We meet EVERY SUNDAY!!

Classes available:

Newborn thru 3 years old kids play in our safe and secured Nursery. Your kids are cared for by our loving Character Town team members, while in an encouraging and positive environment.

Kids 4 years old thru 5th grade engage in small groups, hands on activities, music and songs with movement, creatively delivered Bible stories, and life application activities that help kids learn, remember, and take opportunities to live out what they have learned about what God's Word says.

What to Expect:

Our Sunday interactive children services are designed with children in mind! Each child is taught in our safe and secured environment. From Nursery to fifth grade, our desire is to see each child be cared for in an individual way. Each of our Character Town leaders and team members have been through an orientation process and screened to work with your child. From loving care in our Nursery, to moving and jumping music in our Children's Theater, your child will be cared for and taught God's Word in a safe, loving, and encouraging environment.

We aim to help every kid in Character Town learn God's Word, to worship Him, pray, give, and to serve.
