

Liking the Ones You Love

How do you get kids you will like?

You have to raise them that way

Is "Kids grow up faster than ever before" the truth or a myth?

Mistakes we make:

Too Permissive ... Too Strict

Try to Live For them ... Try to Live Through them

Confuse Discipline with Punishment

Consistently Inconsistent

Where to find help = Deuteronomy 6:4-9

The Principle = verse 4

The Process = verse 5

The Priority = verse 6

The Program = verse 7a

The Pattern = verse 7b

The Proof = verses 8 & 9
