## MS. SAM

### Stepping Stone

I am so HAPPY to be partnering with theStone to bring this amazing opportunity to the children of our community! I know this preschool is new and unfamiliar, but I promise it's going to be FANTASTIC! Our mission at Stepping Stone Christian Academy is help children to know and grow in the love of Christ. My program is designed to provide a strong education while balancing much needed playtime and skill development. My small class size will allow me to meet the needs of each student. Come on this adventure with me!
