

SO, YOU WANT TO BE BAPTIZED?

We are so excited for you! The process here will be the same as those going through our Confirmation Program (you will just get a little wetter!)

Baptism is the sign and seal through which we are joined to Christ.*

In Baptism, we are washed with both water and God's Spirit, putting to death our sins and joining us to Christ Jesus in new life.

SO, YOU'VE ALREADY BEEN BAPTIZED?

In Confirmation, you are confirming the baptismal vows your parents made for you as an infant.

Years ago, your parents made vows before God and before the church for you; now you get to publically take ownership of those vows yourself! And, you get to become a full, active, adult member of the church with the power to vote in church meetings and to serve as an elder or deacon.

Baptism &
Confirmation
Guide (2020-2021)

CLASS OVERVIEW

BIBLE 101

Three week class. Sunday's from 1-2pm.

We kick off our classes this year outdoor on the church lawn. This class is for both youth and their parents! We will be spending time getting a general overview of the Bible and how it came to be, different genres within it, tips and tricks on how to read it, as well as overviews on the Old and New Testaments!

PILLARS OF THE CHURCH

3 week class on Sundays.
(Time and Place TBD)

Our second class this year will be either outdoors or on Zoom depending on the progression of the pandemic and the weather. This class also is for both youth and their parents! We will primarily look at both the Apostle's Creed and the Lord's Prayer, but we will also spend some time talking about some of the history of the Church, the formation of the creeds, and our history as Presbyterians!

CONFIRMATION CLASS

8 Week Class on Sundays
(Includes Camp Akita; Time and Place TBD)

The cumulation of our classes ends in the Spring as we dive deep into what it means to confirm our Baptismal Vows, what it means to be a disciple, and what it means to be a member of Christ's Church!

THREE CLASSES

This year, Confirmation is going to be split up into three different classes: Bible 101, Pillars of the Church, and Confirmation Class. We wanted to make our Confirmation program more flexible and less stressful on our youth, while keeping all of the key aspects of Confirmation that we all know and love.

Bible 101 and Pillars of the Church must be taken before Confirmation Class. They can be taken any year after 6th grade, in either order.

This means your youth can take these classes over three different years, or take them all in one year! The choice is up to you!

Once a youth finishes these three classes they will be ready to confirm their baptismal vows!
