Request for Grant

Describe as specifically as possible how grant funds would be used in one or more of these focus areas: hunger, housing/homelessness, poverty, children at risk.

If you received a grant for calendar year 2021, describe as specifically as possible how those funds were used.

What is your governance structure and who serves on your Board of Directors/Advisors?

We want to be involved with you in a way that not only benefits your clients and staff but also encourages the ministry of our people. How would you envision a partnership through which our members could be active participants in your mission?
