CFC HELPS

We have set up a webpage so we can receive information from you and our community about needs of families and individuals who may be mandatory/self-quarantine for risk factors or who may have fallen on hard times due to job loss. Here are some of the ways CFC can help:

- Picking up shopping, prescriptions/medications, urgent supplies
- Delivering mail
- Friendly and encouraging phone calls
- Prayer
- Other urgent needs

Share this webpage on social media and with your friends and family: [CFC HELPS WEBPAGE](#)

Community Outreach

We need to remind ourselves that the mission of making disciples by sharing the hope of Christ does not stop during this time. In fact, we exist for such a time as this. Our leadership is researching and talking with business owners, community leaders, and hospital staff to determine how we can be involved. Things continue to change quickly and needs are still being assessed. In the meantime, we want to encourage you to take this opportunity to reach out to your neighbors. We are asking each of our members and their families to utilize our [Community Care Form](#) to leave on doors and make contact with neighbors.

- [Download the form by clicking on this link](#)
- Fill in your personal information
- Print from your home computer and cut the sheet in half
- Adopt your street, section, or entire neighborhood
- Go to the homes you've adopted and leave a community care form
- Roll it up and place it in the door handle or tape it to their door

Let us know how this goes and if you need help meeting a need in your neighborhood. We are praying we all take advantage of this opportunity and that it opens doors for us to share the gospel.

Kids' Ministry Facebook Page and Activities

We have a new Facebook page for [Cross Family Kids' Ministry](#)! Go check it out and watch for posts that will encourage your children and help you minister to them through this season. We are working on some real cool things for our kids:

- An Easter video series to disciple them about the cross and resurrection of Jesus.
- Activities where they can interact on our Facebook page
- Surprises for them since we cannot do our egg scramble.
