Growth Questions

These questions are to help you apply the weekend's message to your life and to help others – like those in a Growth Group – do the same. Can being honest and vulnerable about your life be intimidating? Is it OK to struggle and have real questions? The answer to both questions is “Yes,” and that is why we have Growth Groups. A Growth Group is meant to be a safe place where we help people know, love and serve Jesus better. If you're not in one, fill out a Connect Card & drop it in a giving box. If you missed this or any message, you view it on our website (redeemeraz.org) or our YouTube page.

1. Based on what we have learned from this passage, how in your life have you seen the possession and practice of these qualities bless you? How have you seen the absence of them negatively affect your growth and joy?
2. What are ways in your life that you see these qualities present (that you truly possess)? In what ways are they increasing, or in what ways (be honest with yourself), perhaps, are they absent?
3. What are some practical ways that the practice of diligence in these virtues can be increased in your life? How will you pursue those ways, for the glory of Christ?
4. Write out a prayer praising God for what He has taught you from this passage
