AICPA Private Companies Practice Section

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors of  
Sunshine Rescue Mission, Inc.

I have audited the accompanying financial statements of Sunshine Rescue Mission, Inc. (a nonprofit organization) which comprise the statement of financial position as of June 30, 2018, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

## Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sunshine Rescue Mission, Inc. as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Report on Supplementary Information

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses on page 5 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**SUNSHINE RESCUE MISSION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2018**

**Note 1 – Nature of Activities and Significant Accounting Policies**

The Sunshine Rescue Mission (SRM) is a religious organization that provides multiple programs for the temporarily homeless and needy. SRM provides temporary and transitional housing for men, women, and children, as well as hot meals, food boxes for distribution, and material assistance through the redistribution of donated materials. SRM has expanded its educational activities to include job training. The general nature and purpose of SRM is the advancement and promotion of Christianity through religious and educational activities and the extension of charitable assistance to the needy and homeless. SRM is funded almost entirely by grants and donations.

Basis of Presentation

The financial statements are presented on the basis of unrestricted, temporarily restricted, and permanently restricted net assets. Although not required, SRM has continued to elect to include a Schedule of Functional Expenses as a supplementary schedule to its basic financial statements.

Capital Assets

Land, buildings, and equipment are stated at cost less accumulated depreciation. Depreciation is provided using the straight-line method over the estimated useful life of the assets.

Revenue Recognition

Contributions are recognized as revenue when they are received or unconditionally pledged.

Contributions

SRM reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long these long-lived assets must be maintained, SRM reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. A substantial number of volunteers have donated time to SRM; however, these hours do not represent services recognizable under the above criteria.

Contributions of in-kind goods are recognized as donations if the donation is integral to the mission of SRM and used to provide its program services. During the year ended June 30, 2018, the value of contributed food was material, and has been recorded in the financial statements. Food for meals served in both the men's and women's programs, as well as food boxes provided at Thanksgiving, are substantially provided by donated groceries from local stores and individuals. The value of these donations is based on the average food cost to provide a meal or food box and was estimated at \$122,013 for the year ended June 30, 2018. SRM also received gift cards for groceries and operating supplies, which it recorded as in-kind donations as well as donations for a silent auction and other needs totaling \$18,724. SRM does not record the

**SUNSHINE RESCUE MISSION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2018**

**Note 1 – Nature of Activities and Significant Accounting Policies**

donation of materials and food received for redistribution to the needy and homeless as the mission is acting as an agent for the donors of these goods. The administrative costs associated with the redistribution are recognized. SRM does not record a value for donations for which values cannot be reasonably determined. In fiscal year 2018, in kind donations were also received for SRM's job training programs. Donations of goods and services for the woodworking and bicycle programs have been recognized when an inventory asset has been created and placed into inventory for sale; inventory transferred to the Garden at the time of transfer. Total job training in kind donations in fiscal year 2018 totaled \$6,794. Professional services which met the criteria for recording totaled \$180 and benefitted all programs. Vehicle donations totalled \$2,699 for a vehicle SRM placed in service.

SRM also received donations of stock with a FMV of \$74,404.

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restriction. Support that is restricted by the donor is reported as an increase in temporarily or permanently restricted net assets in the reporting period in which the support is recognized, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished) temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Program Service Fees

Program service fees have been established for participants in the transitional housing program. These fees provide for shelter, meals, and a variety of other services including counseling, assistance with resolving financial issues, and transportation for medical services. Additional services are determined on a case by case basis.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Estimates are used in determining the value of contributed food for program services, and materials and labor for capital projects and job training inventory.

Income Taxes

SRM is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and, based on its letter of determination, from the filing of IRS Form 990.

Cash and Cash Equivalents

SRM considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

**SUNSHINE RESCUE MISSION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2018**

**Note 1 – Nature of Activities and Significant Accounting Policies**

Investments

SRM has adopted Accounting Standards Codification (ASC) 320 which includes "Accounting for Certain Investments Held by Not-for-Profit Organizations." Under ASC 320, investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair market value in the statement of financial position. Unrealized gains and losses are included in the change in net assets. SRM has also transferred cash to the Arizona Community Foundation which it recognizes as a "beneficial interest". SRM adopted a policy of selling all stock at time of donation and no longer has investments other than those held by Arizona Community Foundation.

Inventory

Inventory consists of donated food and supplies on hand at June 30, 2018. Inventory is valued on the first in, first out basis. Value is determined by end of year list price at discount food stores, which management believes approximates fair market value based on rate of food turnover.

Inventory for Resale

Inventory for resale consists of donated vehicles, bicycles and woodworking items held for resale. All items are valued at estimated fair market value at either the date of donation (vehicles) or estimated cost at the date an item is completed and placed into inventory.

Job Training

SRM is working to develop job training programs for both women and men. Activities include working in a variety of non-profit environments to develop skills. SRM has entered into a one year agreement with Over the Rainbow Butterfly Garden, Inc (the Garden) as part of its job training program. The agreement provides for SRM to transfer donated goods which cannot be used in its other programs to the Garden and for the training of SRM's job training clients. SRM and the Garden split the net profits from monthly sales.

Property and Equipment

SRM capitalizes property and equipment with a unit cost of \$500 or more. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are capitalized at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated assets to a specific purpose. Property and equipment are depreciated using the straight-line method.

Most of SRM's buildings were either constructed or renovated using donated labor and material. Estimated historical cost for assets placed in service prior to 1994 was based on estimated values established by the City of Flagstaff at the time building permits were issued. For construction and renovation subsequent to 1994, excluding the new women's facility, square footage construction or renovations costs were obtained from licensed contractors by SRM and used to value additions and renovations. The new women's facility and the new transitional housing was valued based on a combination of actual construction costs and fair market value of contributed labor and materials.

**SUNSHINE RESCUE MISSION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2018**

**Note 2 – Restrictions on Net Assets**

At June 30, 2018, temporarily restricted net assets consisted of a grant from the Affordable Housing Program (AHP) and funds for furniture, bus passes, hygiene, kitchen renovation, family services, and women’s job training and transitional programs. The grant had a purpose restriction for use in the construction of the new women’s facility which was met in fiscal year 2010, and a time restriction requiring use as a shelter for 15 years. The total in temporarily time restricted balance was \$997,140, the amount of the grant from AHP at the close of the review period. Temporarily purpose restricted cash and cash equivalents and investments totaled \$88,370 and are anticipated to be expended during FY18.

During the 2013 fiscal year SRM received a donation of \$10,000 in cash to be permanently restricted and the earnings used to benefit the Dorsey Manor transitional program. An additional contribution of \$2,500 was received in FY16, and \$5,000 in 2018. SRM has transferred this cash to the Arizona Community Foundation and it is held as an endowment fund.

**Note 3 – Beneficial Interest in Arizona Community Foundation**

SRM has transferred assets to the Arizona Community Foundation (the Foundation), which is holding them as a reserve fund and an endowment fund for the benefit of SRM. SRM has granted the Foundation variance power which gives the Foundation’s Board of Trustees the power to use the fund for other purposes in certain circumstances. The reserve fund can be returned to SRM upon request. Reserve funds are required to maintain a minimum balance of \$25,000. If the balance falls below \$5,000 for more than a year, and other conditions are not met, the Foundation may close the fund at the discretion of the Foundation’s Board of Directors. The Foundation shall hold, manage, invest, and reinvest the nonprofit reserve fund and pay and disburse agreed upon distributions. A portion of the earned income can be distributed in set annual payments or reinvested. Currently SRM records \$15,883 as a “Beneficial Interest in the Assets of the Arizona Community Foundation”. The reserve fund reported share gain of \$2,180 and fees of \$513. During the year ended June 30, 2016, SRM established an additional endowment fund which is also held at the Arizona Community Foundation and recorded as a “Beneficial Endowment Interest in the Assets of the Arizona Community Foundation”. It does not have the same rights of return as does the reserve fund. The balance in this fund was \$18,657 at June 30, 2018 including a share gain of \$740. SRM received a distribution of \$25,000 from its reserve fund during the year ended June 30, 2018.

Changes in the reserve fund for the year ended June 30, 2018 are as follows:

Balance at July 1, 2017	\$39,217
Share gain of the fund (net of fees)	1,666
Distributions	<u>(25,000)</u>
Balance at June 30, 2018	<u>\$15,883</u>

**Note 4 – Land, Building, and Equipment**

Land, buildings, equipment, vehicles and construction in process consisted of the following at June 30, 2018:

**SUNSHINE RESCUE MISSION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2018**

**Note 4 – Land, Building, and Equipment**

Land	\$275,485
Land improvements	73,065
Buildings	2,026,037
Furniture and equipment	158,681
Vehicles	<u>25,825</u>
	2,559,093
Less: Accumulated depreciation	<u>(881,736)</u>
Net Property and Equipment	<u>\$1,677,357</u>

Depreciation expense for the year totaled \$80,844. In accordance with the grant restrictions discussed in Note 7, a lien was placed on the property used for the women and children’s shelter for the term of the agreement.

**Note 5 – Economic Dependency**

Donations of food and related goods provide virtually all of the meals which are a major component of all three programs. If these donations were to cease, SRM would have a difficult time in continuing the programs at their present level. Additionally, SRM is supported almost entirely by donation. Loss or decrease of this support would have a severe impact on SRM.

**Note 6 – Endowment Funds**

SRM’s endowment includes funds held by the Arizona Community Foundation for the purpose of the men’s transitional program. As required by generally accepted accounting principles (GAAP), net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. SRM will utilize the Foundation’s investment policies to achieve its endowment objectives. Arizona Community Foundation’s current spending policy is to distribute an amount equal to approximately 5% of the previous twelve quarters’ average balance of the fund’s liquid assets. Based on the spending policy, over the long term the Foundation expects its endowment assets to grow at the rate of inflation. This is consistent with the Foundation’s objective to maintain the purchasing power of endowment assets as well as to provide additional real growth through new gifts and investment returns.

**Note 7 – Contingent Liabilities**

Under the terms of the grant agreement with the Affordable Housing Program (AHP), SRM agreed to operate the women’s shelter for 15 years, resulting in a temporarily restricted net asset for that period of time. If SRM ceased to operate the shelter at any time during that period, it would be required to repay the entire grant amount. AHP also requires a deed restriction or other legally enforceable retention agreement between the funding bank and SRM incorporating the requirements to operate a women’s shelter for 15 years as specified in the grant application. A sale of the property without the transfer of the deed restriction or other legally enforceable retention agreement during the 15 year period would also result in SRM’s obligation to repay the entire grant. The board and management, based on SRM’s long history of operations, believe this contingent liability, while possible, is not probable, and have not recorded it as a liability on the financial statements of SRM in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 450-20-50-4. This contingent liability has a remaining time period of 7 years.

**SUNSHINE RESCUE MISSION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2018**

**Note 8 – Fair Value Measurements**

The fair value hierarchy defines three levels of input as follows:

Level 1: Valuations based on quoted prices (unadjusted) in an active market that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.

Level 2: Valuations based on observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in inactive markets, or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3: Valuations based on unobservable inputs are used when little or no market data is available. The fair value hierarchy gives lowest priority to Level 3 inputs.

In determining fair value, SRM utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible in its assessment of fair value.

Financial assets are carried at fair value at June 30, 2018.

	<b>Level 2</b>	<b>Level 3</b>

Community Foundation	<u>\$15,886</u>	<u>\$18,657</u>
Total Assets at Fair Value	<u>\$15,886</u>	<u>\$18,657</u>

The beneficial interest in assets held at the Foundation has been valued, as a practical expedient, at the fair value of SRM’s share of the Foundation’s investment pool as of the measurement date. The Foundation values securities and other financial instruments on a fair value basis of accounting. The estimated fair values of certain investments of the Foundation, which includes alternate investments for which prices are not readily available, are determined by the management of the Foundation and may not reflect amounts that could be realized upon immediate sale or amounts that ultimately may be realized. Accordingly, the estimated fair values may differ significantly from the values that would have been used had a ready market existed for these investments. The Foundation’s investments at March 31, 2018 (the most recent financial statements available) consisted of 57% pooled investments, 35% brokered investments and the remainder in assets held under charitable remainder trusts, partnerships, real estate, group annuity contracts cash surrender value of life insurance, beneficial interest in life estates and other investments. SRM has elected to place its reserve in the Foundation’s socially

responsible Pool and its endowment fund is in the long-term pool. Endowment funds held by the Foundation are recognized as a Level 3 fair value measurement.

**Note 9 – Subsequent Events**

Management has evaluated events subsequent to the date of the statement of financial position through February 1, 2019, the date the financial statements were available to be issued.

In July, 2018 the board of SRM voted to discontinue the wood working job training program.
