

# 2021

## annual report

### hey friends!

One of the lessons we learned in 2021 was to have a windshield mentality. What is in front of you deserves more attention than what is behind you. You learn from your past, but you don't dwell on the past, instead you stay focused on what's next! Before we move on to what great things the Lord is going to do next here is a small recap of God's faithfulness in 2021. Together we are changing lives and making a difference!

## serving families

Every year we invest into our DTC families through Sisterhood women's gatherings, ManCave men's groups and Youth & Young Adult nights. This year we also hosted over sixty-five couples and several hopeful singles attended our annual XO marriage conference. We believe when the marriage is strong, the family is strong! The event is always power packed with great wisdom and insight on how to build a healthy and solid marriage.

## serving kidz

What a joy it is to teach our kids the ways of God while they are young and prepare them to live out their God-given destiny. Every week we serve our DTC Kidz with countless Bible based lessons and crafts. As always we go all out for our annual Summer Fun Week, and this year we had 97 kids join us as we danced and sang for Jesus on the Rocky Railway!

## serving the house

There is no greater joy than to see people start and commit to a relationship with Christ. The scripture says, "This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun!" 2 Corinthians 5:17 This year 37 people publicly demonstrated their faith and commitment through baptism. One of our members said of her baptism, "I am ready for change and God's transformation over my life."

## serving the community

Our passion is to impact the world and make a positive difference in our community. This year we planted new flower beds at an elementary school, we cleaned up a local park, provided toys and letters of hope and encouragement to kids and families in the hospital. We also continued our partnership in serving those in need at border missions and our missions outreaches with Joan Murray Ministries.

## get the word out

During this pandemic God has expanded our reach to go further through our efforts on social media. We are preaching the good news of Christ not only to those here in the RGV but across the nation and the world. At the onset of the year, we also launched the new DTC App to serve our members and keep everyone connected.
