Children's Ministry

On Point

The human body is like one giant puzzle. And so is the body of Christ! If one piece is missing, it just does NOT operate as well as it should.

YOU are an important piece of the puzzle! You are needed so that the Church body operates like God intended. Have you found where you fit in the body? Keep working. Keep searching. Keep trying new ministries. You will find exactly where the gifts that God gave you will flourish, providing that perfect fit.

Our kids are also a vital part of the body of Christ! They have their own unique gifts and abilities that can be used to further the Kingdom. Our **Kids Reaching Kids** ministry is in full swing! In Kids Rock, our kids lead worship, motion songs, puppets. They serve as greeters and helpers to make sure the facilities are clean. They lead prayer and encourage us with the Word! They are a huge blessing to Church of Pentecost! If your child has not signed up to minister in our Kids Rock services, please see Sis. Kaliegh Conway!

You are an important piece of the puzzle!!!

Shout out!

Save our Children drive is happening now!!

Shout out to Kamea, EJ, Izabella, Allannah Carr and Kathryn for already turning in full quarter cards!!
