

Parents,

We'd love to invite your child(ren) to one of the most epic weekend events ever - U-Turn 2019! Following is information to help you consider allowing your child(ren) to join us for this retreat.

U-Turn is February 22nd-24th (beginning Friday evening and ending at Noon on Sunday.) It is an opportunity for students (6th-12th grades) to detach from the busyness of everyday life to learn more about how awesome God is, spend time with friends and serve our community. Students will attend four different, relevant, engaging and life-changing worship services. Each student is assigned to a group of 6-10 other students of the same gender and grade.

College students who we vet and affirm as a good influence are assigned to lead a group during the weekend. Each group is assigned to a church-family host home where they stay Friday and Saturday night. Students are transported by responsible adults (church members) to the church for worship sessions and to service projects on Saturday afternoon. Students are always supervised and background checks are completed on all college leaders, host home families and any additional transportation volunteers.

First Redeemer Church loves U-Turn so much that we want anyone who has never experienced it to join us, which is why we are discounting the price from \$85 to \$20 for those who have never attended before. All you need to do is register your child online at www.redeemerstudents.com. On the website, scroll down until you see U-Turn and click on "Click Here to Register". To acquire the First-Timer discount, use the code "**FIRST19**" when you get to the payment portion of the registration. (Discount is not for 6th graders, unless your 6th grader *does not* regularly attend First Redeemer.)

Please contact our Student Ministry Office at 678-513-9443 or nikki@firstredeemer.org with any questions. Thank you so much for considering letting your child experience this unforgettable event with us!

For Christ,

Kevin Dunn
