HEBREWS: JESUS IS BETTER

“Striving from Rest”

1. Read Hebrews 4:6-11 together. Was there anything from the text or from the sermon that particularly stood out to you? What was the main point of the passage? For kids: if you had to summarize one thing you learned, what would it be?
 2. Why does the author of Hebrews place such a great emphasis on “today”? What can you personally take away from this sense of urgency?
 3. Read Matthew 6:25-34. What are some of the reasons that Jesus tells us we do not have to worry or be anxious? (I found at least seven. See if you can identify them, or maybe find even more!)
 4. The power of sin is found in its deceitful promises. Share an example of this with one another. What are some of the deceitful promises that our society is currently facing? What true promises can we believe from God’s Word to combat the fear and anxiety so prevalent today?

Pray Together:

1. Pray for our President, Governor, and leaders.
2. Pray for healing for those who are infected with the Coronavirus, and for those grieving the loss of loved ones. Pray for the pandemic to end.
3. Pray for God to awaken hearts to what matters most – we were made to rest in Him!
4. Pray for yourself and your gaze to be on Christ and to be anchored in His peace and rest.
