Missionary of the Month

We are honored to provide financial and prayer support for various missionaries around the world. This month we encourage you to specifically pray for **Grace Academy of Kerrville**, an independent, non-profit, private, Christian school serving the Kerrville area since 2009. With a strong commitment to serve Christian families by instructing students in an environment that promotes educational accomplishment and spiritual growth, their mission is to bring up students who know Jesus, who know the wisdom of God's Word and who bring glory to God. Please pray for the Lord to bring new students & volunteers where needed, a permanent location for the school, and for a productive and blessed school year. Consider bringing your "boxtops for education" coupons and dropping them in the box provided on the information table, as well!
