*We will reserve your child's spot in our program – even when he/she does not attend. Therefore, payment is expected each month your child is enrolled, regardless of attendance. We have calculated the annual fees needed to operate our program and determined a monthly rate based on the number of school calendar days. Monthly tuition will be the same regardless of the number of holidays, teacher planning days, inclement weather days, etc.*

**\*After School rates for VPK – 5<sup>th</sup> grade will be available in the spring 2019.**
