We will reserve your child’s slot in our program even when he or she cannot attend. Therefore, payment is expected for each month your child is enrolled, regardless of whether or not he or she attends every day. We have calculated the fees needed to operate our Program for the year and determined a monthly fee based on the number of school calendar days. Monthly tuition will be the same regardless of the number of Holidays, Spring Break, Teacher Planning Days, and unforeseen school closures due to hurricanes or other natural disasters. The After School Program will be open for All Day Care on Teacher Planning Days, Holidays, Spring Break and Winter Break.
