

GIVE HOPE BINGO

Grace Honolulu, let's be the church! We're empowering and mobilizing people to serve the needs of the people in our city. Whether it's praying for people, packing food baskets or delivering groceries to our kupuna, you have the opportunity to GIVE HOPE to someone.

Call someone you know who is at home alone	Donate food/supplies to a local non-profit	Pray for your neighbors by name	Memorize Psalm 34:1-3	Go on a prayer walk in your neighborhood
Pick one country to pray for every day this week	Pick up groceries for someone who should not be going themselves	Use Next Door, Facebook, etc. to reach out to your neighborhood and find people who need your help	Invite someone to church online	Pray for the sick and vulnerable in our city
Join us every Thursday for prayer and fasting	Support local restaurants by ordering take-out		Pray for our health care workers	Pray for business owners and those who have lost income
Volunteer to serve at a local non-profit	Memorize John 20:21	Send an encouraging note/text to someone	Pray for our government leaders	Give away food/supplies to a friend/neighbor
Support a local business	Pray for the Holy Spirit to draw people to call on Jesus	Reach out to a friend/neighbor and offer prayer	Appreciate a first responder or health care workers by giving them a care package	Tell those working at the hospital, grocery store, bank, etc. how grateful you are for them
