

# LETTER FROM BRAD & MARY

At Surge Church, it is our desire to empower people to live beyond their limits. **Surge** means, *"a sudden and rapid increase forward."* We serve a living God whose supernatural power enables us to live beyond our natural limitations. This is why partnership is so important. The fact is what we can do together is exponentially greater than what we can achieve alone. We recognize the spiritual truth that our life together creates a life beyond limits.

We are thankful for how far God has brought our Church and for every life touched along the way. It is now time for us to move beyond our limits into the future to which God has called us. As we Surge Forward together, we will make an impact and leave a legacy. This is why we are excited about the launch of Surge Legacy.

**Surge Legacy** is a partnership through which people give generously above their tithes to resource the vision of Surge Church. Legacy is a word that helps us define what our financial leaders are building. By participating, we are truly leaving a legacy for the next generation.

In the coming days, weeks, months and years, we will see God use us to do incredible things to transform lives and impact our community, city and nations. Through Surge Legacy, each person plays a vital role in making this Kingdom Impact. It is with great excitement that we invite you to join us on this Legacy journey.

We will accomplish so much more together than we ever could on our own. Together, we have the resources to make a greater impact and to leave a legacy for the glory of God. Our prayer is that each of us find our place and our purpose in the vision of Surge Church.

## What Legacy will you leave?

Beyond Limits,  
Brad & Mary
