VISION

20

IGH has been truly blessed the first half of 2020 to reach several of the goals we laid out in January. Our new App is ready and awaiting admission into the App Store. In the meantime you can listen to current IGH lessons on Spotify, iTunes, Google Play and several other podcast apps.

IGH is now a part of the *Pacific Broadcast Network* operated by Randy English in American Samoa. The English's have worked in this area since 1989 and in 2004 established the Pacific Broadcast Network with eight radio stations. IGH can now be heard daily in this area.

We have also joined with *Truth.FM*, an internet radio network out of Collierville, TN, that offers Biblical teaching and information in several areas of the country.

The *Alive Radio Network* contacted our media group and is currently airing the daily program free of charge on their network of five stations. They operate out of New York which is an area IGH has not been in for quite some time

so we are thankful for this opportunity.

The expansion of the Gospel message through IGH can only be done with time, the grace of God, and sufficient funds. Your support is so important to making these things happen. There are still several major markets in the U.S. where we hope to soon be able to air at least the weekly broadcast. Please pray the Word reaches good hearts.

It has been good to get back on the road, although on a limited basis, as congregations have adjusted meeting times. It was good to see brethren at the West Fayetteville congregation that oversees our work; speak at the NE ARK

Lectures in Bay, AR just outside of Jonesboro; Woodhaven (Chatsworth, GA); Sweetwater, TN; Bybee Branch (McMinnville, TN); Benton, TN, and Antioch in Old Fort, TN. It is always a joy to speak about IGH and the doors the Lord has opened. We have also visited for "Summer Series" in Jacksonville, AL; East Ridge (Chattanooga, TN); Dayton, TN and Woodson Chapel (Nashville, TN) in the past few weeks.

Since many congregations have had to change how they met we have also recorded programming for Polishing the Pulpit and the Valdosta congregation in Tuscumbia, AL for their "Summer Series."

Let's Get Social!

IGH is receiving several responses to the program each week. Some ask for the free Bible study offered and others just leave a message or write a note. We are excited that our Business Manager, Van Sprague, has been able to begin some Bible Studies by phone and is then able to turn over the teaching to a local congregation for follow-up. We thank Mt. Leo church of Christ in McMinnville for partnering with us in mailing out requests for Bible Correspondence Courses. Here is just some of feedback we have recently received.

"The past few weeks I've been going in to work at 9 which I have enjoyed a lot because your show is on the radio in Dalton at 8:30. Thank you for all the work you are doing. You do an excellent job presenting the truth of Gods word simply!" ~Dalton, GA

"...Mr. Van Sprague thank you for the mailing...very impressed with the scholarship and I was just listening to the

IGH tonight, Sunday night. Mr. Jeff Archey preaching his heart out on the eight points."

"...I listen to you guys every day on 96.7 and really appreciate everything that you do. You really help to change my life. Thank you very much have a great day. God bless..." ~Indianapolis, IN

"I love listening to IGH on WSM. You are doing wonderfully...keep up the good work..."

"We would like to put a link to your website on our website. We really enjoy the lessons from Jeff Archey..." ~Omaha, NE

We really appreciated hearing from our listeners. Please share our website on your congregations website.

Several congregations have purchased radio air time in their community and we are happy to provide them IGH at no cost. We have 30 minute and 15 minute programs available.

We are thankful for publications like *The Gospel Gleaner* and *House to House* for including IGH ads in their mailings. If you are able, please put information in your local bulletin about IGH. We will be glad to provide local listening options and times.
