# Why Kingdom Builders?

## A NOTE FROM PASTOR DAVID

In the summer of 2019, I shared how our journey with missionary support had been up and down for several years. I then said it was time we change all that. And we did! I also shared how we had a limited level of influence on future generations and then said it was time to change that too. And we did!

The first 2 years of Kingdom Builders giving at New Life have been incredible! At the time of getting this 2022 project guide ready for print, we have given over \$235,000 since August 2019. New Life Family your continued generosity amazes me.

Let's continue to step up to help Jesus build even more of His kingdom in 2022. This year we are believing for the best year yet. We have added new projects, continued, and adapted others. Together, with God, we will do more than we could ever imagine because we are better together.

# So what are we going to do?

Jesus said, “I will build my church, and all the powers of hell will not conquer it.” (Matthew 16:18 NLT). At NL, we are committed to continue being a place for resourcing the building of Jesus’ church and bringing about greater kingdom impact around the world and across the street.

**We will do this by becoming and developing Kingdom Builders.**

committed, empowered followers of Jesus

# What is Kingdom Builders?

A person wearing a grey hoodie is seen from behind, with their arms raised in a gesture of praise or worship. They are standing in a church with a wooden ceiling and a large cross visible in the background. The image is partially obscured by a large, semi-transparent blue circle that serves as a background for the text.

## **Q: What is the goal of Kingdom Builders?**

A: To give us a greater focus on how we can love like God does and have a greater kingdom impact in three areas: Global Missions, Local Church Outreach & Expansion and Future Generations.

## **Q: What is the difference between tithing and giving to Kingdom Builders?**

A: Kingdom Builders does not replace tithing, it works alongside it. Tithing is 10% of your income that supports the mission of New Life. Kingdom Builders is giving above and beyond your tithe to help build the kingdom outside these walls; globally, locally, and with future generations.

## **Q: How much of what is given to Kingdom Builders will go to the projects and people in this guide?**

A: 100%

# Global Missions

---

"I am the way and the  
truth and the life."  
John 14:6

---

42% of those who live on this planet do not even have access to the knowledge of who Jesus is. With our various ways of giving and going globally, we aim to change that and help Jesus build His church around the world.

## **Monthly Support of Global Missionaries and Partners | \$16,640**

New Life currently partners with 25 missionaries and organizations globally around the world and the United States representing over 20 countries and 5 continents. If God calls people to go, we are committed to sending them. Missionaries are the front lines of the Gospel in places we may never get to go. Our missionaries and partners rely on our monthly support as well as funding for special projects and resources.

Expansion of Monthly Support – \$3,560

## **Destiny Rescue & Rescue Sunday | \$15,000**

This Christian-based non-profit organization dedicated to rescuing children from human trafficking and sexual exploitation. Their goal is to rescue, restore and empower these children. Our Rescue Sunday on Mother's Day each year is one way New Life partners with Destiny Rescue to accomplish this.

## **US Church Planting Assistance | \$3,600**

Seeing a healthy, spirit-empowered church in every community is something we all should be praying for and helping see happen. New Life does both by supporting churches that are planted in Indiana and across the United States.

## **Seed Company | \$3,000**

Seed Company is at the cutting edge of bringing the Bible to people who have never had God's Word in a language they understand. What an incredible opportunity we have to help bring the Bible to those who have never had it in their language.

## **BGMC | \$1,000**

We desire to instill in our NL Kids a heart of compassion to reach the lost through praying, giving and going. BGMC is one way of helping our kids learn to give so others can know Jesus. Our 2022 BGMC project is to help Indiana missionaries with supplies for evangelism and discipleship.

## **Speed The Light | \$5,000**

The students of New Life believe in seeing those who don't know Jesus come to say "Yes" to Him. Missionaries need vehicles to go to these people and Speed The Light (STL) provided those vehicles. Our 2022 project is to help pay for Missionary and Grant County resident, Doug Allee's vehicle in the Philippines.

## **One Hope | \$3,000**

It began with a single Book of Hope in 1987. Since then, 1.7 billion children have encountered God's Word in partnership with local churches. Millions are still waiting to experience the Gospel! \$1 shares the Gospel with 6 children. How many will we reach?

## **Asia's Little Ones | \$2,000**

Your generosity provides lifelines for orphaned, abandoned, and vulnerable children in Asia Pacific through homes, health, and education.

[asiaslittleones.org/about](https://asiaslittleones.org/about)

## Convoy of Hope | \$13,000

### Feed One Weekend - \$6,000

On Father's Day, this feeding initiative allows New Life to feed dozens of children for \$10 a month who would otherwise go hungry. The nutritious meals provided, open the door to share the love of Jesus with children around the world.

[convoyofhope.org/get-involved](https://convoyofhope.org/get-involved)

### Women's Empowerment - \$3,000

The demands of life weigh on moms around the world from the moment they wake up. There is always a need. She has untold potential, and you can help her unlock it.

[convoyofhope.org/initiatives/womens-empowerment/](https://convoyofhope.org/initiatives/womens-empowerment/)

### Disaster Relief - \$2,000

Every year natural disasters of all kinds hit in the US and around the globe. Convoy of Hope uses six international warehouses and mobile command centers to consistently be one of the first to respond to these disasters.

[convoyofhope.org/what-we-do/disaster-services/](https://convoyofhope.org/what-we-do/disaster-services/)

### Agriculture - \$2,000

The potential for lasting change is in the soil, and the best solutions are grown at home. With Convoy of Hope's training and resources, local farmers' fields take on new life.

# Total: \$62,240

# Local Church Outreach & Expansion

---

"For where two or three  
gather in my name,  
there am I with them"  
Matthew 18:20

---

59.9% of those who live in Grant County do not have a church they call home. With our various ways of giving and going locally, we aim to change that and help Jesus build His church right here in our own neighborhoods.

## NL Facility Care | \$30,000

To effectively reach out and care for our community, we must also care for the facility we want our community to come and call home like we do. These funds will be used to take care of facility needs that include roof repairs and replacement, carpet replacement, bathroom renovations, parking lot resurfacing, sidewalk repairs and more.

## NL Outreaches | \$9,000

Several times a year, we as a church choose to love on our community by providing high-quality, well-planned events that demonstrate our desire for those who live nearby to know Jesus loves them. In 2022, we plan to continue to adapt our outreaches to meet the needs of our community. Our 3 main outreaches include the Mega Million Egg Hunt, Drive-Thru Food Pantry & Backpack Giveaway, and Fallapalooza.

## NL Cares | \$12,000

The past 2 years have continued to show us that care is not just important, it's necessary. NL Cares includes, but is not limited to, utility assistance for members of Grant County, meals for those going through various life transitions (births, deaths, surgeries, etc.), various care packages for those who call New Life home, and brand new for 2022 – Compassion Week.

### Compassion Week (formerly our Boldly Go project)

At New Life, we believe it is far more important for us to be the church than just to go to church. To model this, we choose a week to partner with our community and go be the church by serving them. Compassion causes you to move to action and Compassion Week is all about loving Grant County as God does.

## GCRM | \$5,000

The homeless, the hurting, and the hungry all can find hope and the life-saving message of Jesus Christ at the Grant County Rescue Mission (GCRM). New Life partners with the GCRM through volunteering our time but also the financial support of their various programs for men and women. [mygcrm.org](http://mygcrm.org)

## Malleable Coffee | \$5,000 House/Café

We believe the west side of Marion is in need of more places to connect and build community. We purchased the brick building at 917 S Miller Ave and the surrounding land several years ago and now are pursuing how to turn that space into one of those connection/community building places. We have already received a grant that will match any funds we use, up to \$5,000, to create architectural renderings to visualize what we plan to create with that building and land.

## Local Monthly Support for partners and non-profits | \$1,680

New Life currently partners with 4 missionaries and organizations locally around Grant County and the state of Indiana. We love partnering with others who are doing good in our county and in our state. Our missionaries and partners rely on our monthly support as well as funding for special projects and resources.

## In A Pinch | \$1,000

In A Pinch is a local non-profit in Grant County that meets the immediate needs of local foster families by providing kits of necessity items for emergency foster placements. [inapinchmarion.org](http://inapinchmarion.org)

Total:  
\$63,680

# Future Generations

---

"Therefore be  
imitators of God, as  
beloved children."  
Ephesians 5:1

---

100% of all our future leaders in the church, and the marketplace are coming from future generations. With our various ways of giving and going, we aim to have a greater kingdom impact on those future generations.

## **Residency, Internship, and Practicum Programs** | **\$18,400**

New Life is a unique place where college students can come to be loved, equipped, challenged, transformed, and fed. Since 2020, we have had 7 summer interns and 4 resident pastors who have served as pastors to Momentum Youth and online ministries. In 2022, we plan to add a resident pastor for NL Kids. This allows us to continue to take our commitment to invest into and impact future generation leaders to even greater levels.

## **Monthly Support for partners and non-profits reaching future generations** | **\$4,380**

New Life currently partners with 7 missionaries in universities in Indiana and Illinois and 2 organizations locally in Grant County. We love partnering with others who believe in future generations as much as we do.

## **College Connection** | **\$3,000**

One of the hardest things for a young person to do is attend a college away from home. Not only do they need to make new friends, and learn new things, but they also need to find a church they can call home, while away from home. College Connection will help those students at Taylor University and Indiana Wesleyan University who come to New Life feel at home and get connected with others.

## **Next Gen Scholarships** | **\$3,000**

These scholarships will be available to help college students, teenagers and kids of New Life with things like tuition, summer camp registration, and other costs we can help with to invest into their lives and assist them in their on-going journeys.

## **Boys and Girls Club** | **\$1,000**

The Boys & Girls Club of Grant County offers a variety of programs designed to benefit their members from tutoring, character development programs, athletic leagues, game room activities and open-court hours. They also team with US Foods and Americorps to better provide nutritious snacks and meals to their members.

A grand total of Kingdom Impact  
through Kingdom Builders in 2021

**\$155,700**

# How do we get to \$155,700?

- 1 10% of our annual tithe is placed into our Kingdom Builders fund.
- 2 Those who call New Life home make commitments to give weekly, monthly or yearly to Kingdom Builders projects.
- 3 In November, we will have a Miracle Offering Sunday to help finish and complete 2022 projects.
- 4 We provide 2-4 additional giving opportunities each year to fund Kingdom Builders' projects (Usually around Easter, Mother's Day, Father's Day, and Christmas).

# How do I get involved?

1

## TITHE FAITHFULLY

In obedience to God and the Bible, bring your tithe (10%) of your income to New Life to help us with our monthly support of global and local missionaries and partners in Kingdom Builders.

2

## PRAY CONTINUOUSLY

Use this project guide as a tool to pray for the people impacted by our fully funding each project. Pray also for your ability to fulfill your 2022 giving commitment to Kingdom Builders.

3

## GIVE GENEROUSLY

Make a plan to give each month, have a vision for giving more each year and have a dream of what you would one day like to generously give to help Jesus build His kingdom through Kingdom Builders. You can even choose to set aside a special amount each year for our Miracle Offering Sunday in November.
