

BETHANY CHURCH SUNDAY SCHOOL 2020-2021

WELCOME TO A NEW SUNDAY SCHOOL YEAR

Hello everyone! First, we want to say that we miss seeing your faces on Sunday mornings! We miss hearing about your summer, asking about school, and talking to your family. We pray that you continue to stay healthy, enjoyed your family this summer, and have a great start to the school year.

As you know this has not been a normal year! So, we are not having Sunday School right now in our usual way! We are working hard to discern the best way to help our children and youth grow in their faith. We are excited for the options available for us to come together virtually with videos and interactive programs. We can also come together at Bethany Church using our vast space outside to social distance. We hope and pray to get back together soon in the building so we can celebrate God's love for us during this challenging time!

MODIFIED LEARNING EXPERIENCE

As we plan for an online learning experience at this time, the teachers will be team teaching. You will see the teachers working together to make learning about God an amazing online experience. Options for online learning may include songs, Bible lesson, and activity in a video or live with a time of conversation.

PLEASE OFFER YOUR FEEDBACK

Bethany Church thanks you for making the decision to help your child/ren grow in faith, experience teamwork, and learn to care for others by participating in the Sunday School adventure!
