Monthly Mission: Ash Cares

Bethany is part of the AshCares network. When a request is received...we use your donations to fill the request. We are working on replenishing our funds to prepare for any summer requests. We are also getting ready for the fall when students need basic clothing and hygiene supplies for back to school.

Every day, children come to school without their basic needs being met. Ashwaubenon Cares (or AshCares), has been established to provide families the opportunity to help each other.

AshCares is a network of people who receive notification via email when an Ashwaubenon student/family is in need. Items requested may be as simple as pants, shoes, winter boots, gloves, underwear, or socks. Sometimes larger items like beds and dressers are needed.

To become part of the AshCares network,
emailashcares@ashwaubenon.k12.wi.us.

You can give financially to AshCares by:

1. Using a giving envelope marked "Monthly Mission"
2. Online at bethanygreenbay.org/give
3. Text the amount you want to give to 844-906-2286

Volunteers are needed serve lunch at
The New Community Shelter each month.

Bethany Family

Thank You's

Dave & I would like to thank our Bethany family for all the prayers, calls and cards during his recent surgery. Each has had special encouragement for us. Thank you, All! Dave & Donna Rimple

Thank you to the Trustee's for the Saturday morning they volunteered to clean up the church property, even in the rain. Your time and efforts are greatly appreciated as we all enjoy the beauty of the space we have.

Lillian Luepke In Mission

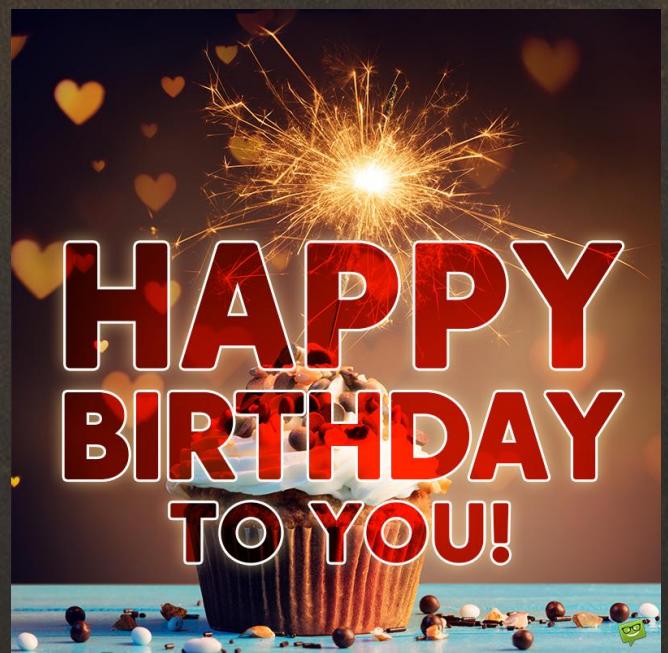

Lillian Luepke will be joining other youth from around Wisconsin on a mission trip this summer. They will be headed to Lancaster, WI from June 21-25.

Lillian is thankful that she will be able to go this summer. As a graduating senior, this is the last summer that she will be able to join the youth mission trip. She has made several friends from other churches and is looking forward to seeing them. We are hopeful that as life returns to a new normal, more youth may also share in this experience in the years to come.
