

## **7 Steps to a Healthy Fast**

### **STEP 1: Set Your Objective**

Why are you fasting? Is it for spiritual renewal, for guidance, for healing, for the resolution of problems, for special grace to handle a difficult situation? Ask the Holy Spirit to clarify His leading and objectives for your prayer fast. This will enable you to pray more specifically and strategically.

Through fasting and prayer we humble ourselves before God so the Holy Spirit will stir our souls, awaken our churches, and heal our land according to 2 Chronicles 7:14. Make this a priority in your fasting.

### **STEP 2: Make Your Commitment**

Pray about the kind of fast you should undertake. Jesus implied that all of His followers should fast (Matthew 6:16-18; 9:14,15) For Him it was a matter of when believers would fast, not if they would do it. Before you fast, decide the following up front:

- How long you will fast - one meal, one day, a week, several weeks, forty days (Beginners should start slowly, building up to longer fasts.)
- The type of fast God wants you to undertake (such as water only, or water and juices; what kinds of juices you will drink and how often)
- What physical or social activities you will restrict
- How much time each day you will devote to prayer and God's Word

Making these commitments ahead of time will help you sustain your fast when physical temptations and life's pressures tempt you to abandon it.

### **STEP 3: Prepare Yourself Spiritually**

The very foundation of fasting and prayer is repentance. Unconfessed sin will hinder your prayers. Here are several things you can do to prepare your heart:

- Ask God to help you make a comprehensive list of your sins.
- Confess every sin that the Holy Spirit calls to your remembrance and accept God's forgiveness (1 John 1:9).
- Seek forgiveness from all whom you have offended, and forgive all who have hurt you (Mark 11:25; Luke 11:4; 17:3,4).
- Make restitution as the Holy Spirit leads you.
- Ask God to fill you with His Holy Spirit according to His command in Ephesians 5:18 and His promise in 1 John 5:14,15.
- Surrender your life fully to Jesus Christ as your Lord and Master; refuse to obey your worldly nature (Romans 12:1,2).
- Meditate on the attributes of God, His love, sovereignty, power, wisdom, faithfulness, grace, compassion, and others (Psalm 48:9,10; 103:1-8, 11-13).
- Begin your time of fasting and prayer with an expectant heart (Hebrews 11:6).
- Do not underestimate spiritual opposition. Satan sometimes intensifies the natural battle between body and spirit (Galatians 5:16,17).

### **STEP 4: Prepare Yourself Physically**

Fasting requires reasonable precautions. Consult your physician first, especially if you take prescription medication or have a chronic ailment. Some persons should never fast without professional supervision.

Physical preparation makes the drastic change in your eating routine a little easier so that you can turn your full attention to the Lord in prayer.

- Do not rush into your fast.
- Prepare your body. Eat smaller meals before starting a fast. Avoid high-fat and sugary foods.
- Eat raw fruit and vegetables for two days before starting a fast.

#### While You Fast

Your time of fasting and prayer has come. You are abstaining from all solid foods and have begun to seek the Lord. Here are some helpful suggestions to consider:

- Avoid drugs, even natural herbal drugs and homeopathic remedies. Medication should be withdrawn only with your physician's supervision.
- Limit your activity.
- Exercise only moderately. Walk one to three miles each day if convenient and comfortable.
- Rest as much as your schedule will permit.
- Prepare yourself for temporary mental discomforts, such as impatience, crankiness, and anxiety.

- Expect some physical discomforts, especially on the second day. You may have fleeting hunger pains, dizziness, or the "blahs." Withdrawal from caffeine and sugar may cause headaches. Physical annoyances may also include weakness, tiredness, or sleeplessness.

The first two or three days are usually the hardest. As you continue to fast, you will likely experience a sense of well-being both physically and spiritually. However, should you feel hunger pains, increase your liquid intake.

### **STEP 5: Put Yourself on a Schedule**

For maximum spiritual benefit, set aside ample time to be alone with the Lord. Listen for His leading. The more time you spend with Him, the more meaningful your fast will be.

A dietary routine is vital as well. Dr. Julio C. Ruibal - a nutritionist, pastor, and specialist in fasting and prayer - suggests a daily schedule and list of juices you may find useful and satisfying. Modify this schedule and the drinks you take to suit your circumstances and tastes.

#### Breaking Your Fast

When your designated time for fasting is finished, you will begin to eat again. But how you break your fast is extremely important for your physical and spiritual well-being.

### **STEP 6: End Your Fast Gradually**

Begin eating gradually. Do not eat solid foods immediately after your fast. Suddenly reintroducing solid food to your stomach and digestive tract will likely have negative, even dangerous, consequences. Try several smaller meals or snacks each day. If you end your fast gradually, the beneficial physical and spiritual effects will result in continued good health.

Here are some suggestions to help you end your fast properly:

- Break an extended water fast with fruit such as watermelon.
- While continuing to drink fruit or vegetable juices, add the following:  
*First day:* Add a raw salad.  
*Second day:* Add baked or boiled potato, no butter or seasoning.  
*Third day:* Add a steamed vegetable.  
*Thereafter:* Begin to reintroduce your normal diet.
- Gradually return to regular eating with several small snacks during the first few days. Start with a little soup and fresh fruit such as watermelon and cantaloupe. Advance to a few tablespoons of solid foods such as raw fruits and vegetables or a raw salad and baked potato.

### **STEP 7: Expect Results**

If you sincerely humble yourself before the Lord, repent, pray, and seek God's face; if you consistently meditate on His Word, you will experience a heightened awareness of His presence (John 14:21). The Lord will give you fresh, new spiritual insights. Your confidence and faith in God will be strengthened. You will feel mentally, spiritually, and physically refreshed. You will see answers to your prayers.

*It takes time to build your spiritual fasting muscles. If you fail to make it through your first fast, do not be discouraged. You may have tried to fast too long the first time out, or you may need to strengthen your understanding and resolve. As soon as possible, undertake another fast until you do succeed. God will honor you for your faithfulness.*
