

YOUR FIRST TIME IN AGAPE TIKES

WHERE DO I GO?

Agape Tikes' space is in the main building, right across the lobby from the sanctuary. Use the main entrance, and a Connector will direct you to the right spot.

HOW DO I REGISTER MY CHILD/CHECK IN?

On your first Sunday in Agape Tikes, you will be asked for basic information about your child (name, DOB, and allergies) and contact information for you. Once your child is assigned to a classroom, they will receive a nametag and you will receive a security tag with a code that matches your child's nametag. If applicable, there will also be a nametag for a diaper bag. You will then be shown to the classroom.

After service, your child will be ready for pick-up at the same classroom as the drop-off. You will be asked for the security tag to make sure it matches the child's nametag. *If you have children in Agape Kids, be sure to get the security tag back so that you can present it at the children's auditorium.

HOW ARE CLASSES DIVIDED?

We offer the following classrooms:

- Infants
- Toddlers and 2s
- 3s
- Kinderchurch (4 years-Kindergarten)

WHO WILL BE TEACHING MY CHILD?

Your child is being held, rocked, and taught by the most amazing group of volunteers! Every adult volunteer has had a Ministry Safe background screen and receives training for ministering to babies and pre-schoolers. Our volunteers love God, and they love kids! Teens serve as classroom assistants with limited responsibilities.

WHAT IF MY CHILD NEEDS ME DURING SERVICE?

We make every attempt to allow you to remain in service and your child to remain in his/her classroom. If your child should need you during service, the security code located on your child's nametag and your security tag will be displayed in red on the side screens in the sanctuary. A parent can return to the check-in station where a team leader will meet you to discuss the need.
