

LEADING COMMUNION

Even if we can't be together physically, we want to continue celebrating the Lord's Supper, communion, together. Use this guide to lead communion with your family or a friend.

- PREPARE -

The communion elements of bread and juice are a *symbol* of Jesus Christ's body (bread) and his blood (red juice/wine). Don't feel like you need to make an extra trip to the store to get the exact items. If you have kids, use this opportunity to get creative (like using food coloring) to make the drink red. Preparing this together and talking about why the drink is red, may lead to a beautiful conversation about Jesus' sacrifice.

- GATHER -

Gather your family or FaceTime with a friend. Communion literally means sharing. This act of worship is to be shared with other believers in Jesus Christ.

- READ -

1 Corinthians 11:23b-26 *NLT*

On the night when he was betrayed, the Lord Jesus took some bread and gave thanks to God for it. Then he broke it in pieces and said, "This is my body, which is given for you. Do this in remembrance of me." In the same way, he took the cup of wine after supper, saying, "This cup is the new covenant between God and his people—an agreement confirmed with my blood. Do this in remembrance of me as often as you drink it." For every time you eat this bread and drink this cup, you are announcing the Lord's death until he comes again.

- PARTAKE & PRAY-

Partake of the elements while thanking the Lord for his blood and body which was broken for us. Praise him for his power over death and the hope we have in his return.
