2020 Advent Devotional

Let Earth Receive Her King: *In Advent, the church finds itself caught between times. The world's true King has not yet come in all of His fullness. In response, God's people fast and wait and pray, and in waiting we are changed. During Advent, we practice hope, peace, joy and love; four virtues that grow in us and change us, making room for the new creation. This year's Advent devotional, Let Earth Receive Her King, is available in the lobby (before or after the service) or in the church office during the week for \$10, as well as on Amazon (paperback & Kindle).*
