{S}eek a blessing from him? I can ask my Father anything and he'll hear me and do what's best.

4.) On the following page write a prayer based on this passage that incorporates something you are concerned about. Some suggestions are on the back of this booklet.

Dear heavenly Father,

You are so good and merciful to me, and you promise to hear all my prayers. Please help me to be more like you—to be merciful and compassionate towards my own children, even when they like me often stumble into disobedience. Forgive me for showing them anything less than your perfect love and moved by your love for me, make me the best father I can be. In Jesus' name I pray. Amen.
