

# ASCENSION LUTHERAN PRESCHOOL

## Public Relations Permission

Dear Parents,

Ascension Lutheran Preschool is required by law to have in our files, your permission to participate in preschool activities such as publicity, research, and experimentation. Parents will be required to sign a permission slip before each activity.

From time to time photographs or videotapes may be taken of the children involved in preschool activities. They are often around the classroom and may be used in brochures, on Facebook, and/or promotional materials. I hereby give permission for Ascension Lutheran Preschool to photograph my child.
