2.) Compare and contrast the Bible and evolution on the following questions?

	THE BIBLE	EVOLUTION
Where did the universe come from?		
What are people?		
What is our purpose?		
What happens when we die?		

True/False. Put an “X” in front of each true statement.

- _____ 1. It’s alright to believe in evolution as long as we believe that God got things started to begin with.
- _____ 2. When the Bible says that God made the world in six days (Ex. 20:11), the word “day” means a long period of time that we now call an “age”.
- _____ 3. God put humans on earth to rule over the creation and take care of it.
- _____ 4. Because the Bible says we have been made in the “image of God” it means that we look like God.
- _____ 5. Evolution offers no purpose for this life or hope for eternity.
- _____ 6. Each of us (our bodies and souls) is just a product of random chance.
- _____ 7. Modern science has shown that the world is much older than the Bible teaches, and the Biblical account of creation is sometimes incorrect or incomplete.
- _____ 8. The Bible says only unbelievers are accountable to God.
